To The SHO Police station New Friends Colony, New Delhi Complaint: Ali International Services, New Delhi consultancy firm involved in Human trafficking and cyber slavery of Indians in Laos via Thailand Namaskar Sir/Madam I am Naresh Lakavath s/o Lakavath Latch resident of 1-24, Machinenipeta Village, PS Julurupadu, Bhadradi Kothagudem, Telangana state pin code 507166 . Sir I am B.Com graduate and I have worked as sales executive in my hometown for 6 years. Sir in January 2024 I came in contact of Shri Vaari Agencies (8925654881, Arun), Chennai which were providing a job in Luxemburg. As registration fee they charged rs. 15000 from me. Shri Vaari Agencies introduced me to another person Balakrishna Reddy (8555003158) r/o Mahboob Nagar, Telangana, who also paid INR 15000 Rs. to Shri Vaari Agencies to get a job in Luxumburg along with me. However, Shri Vaari Agencies kept give us extended dates for job but after approx. 40 days they said that you are not eligible for that job and switched off his mobile phones and we both lost our money. In Feb 2024, Balakrishna Reddy gave me contact of Akhil (8920808768), working in Ali International regarding offer of job in Thailand. Akhil called and chat on whatsapp and told that jobs of sales executives are available in Thailand. Service charges for job would be INR 150000 Rs. and it will take 15-20 days for joining the work in Thailand. A person named Sahil (9315068820), CEO of Ali International finally confirmed us about what Akhil promised about work and country and salary that it is in Thailand having a salary upto 70-80 thousand. After enquiring about the legal registration and valid paperwork to go abroad as per govt norms, Sahil convinced me that no need to worry about legal process. We are registered agency under govt norms and follow all the guidelines including registration of migrant workers from India to abroad. Akhil asked me to courier my Passport (R6852548) to start the process. I sent my passport (DTDC consignment no H45973666 dated 23 Feb 2024) at address of Ali International services, 167/7A, 2nd floor, hanuman Mandir Gali, Sarai Jullena near Surya hotel Delhi-25. On 5 th March 2024 I got flight tickets from Kolkata to Bangkok scheduled on 11th march 2024. It was a group ticket of 3 pessangers, namely Basant kumar, Kuldeep Singh and myself. Ali international also tried to lure BalaKrishna Reddy and Chelludho rai (7561020618) but I managed to convince them as once I reached there and job/company is good then you can come later as you both are married and having family. So BalaKrishna Reddy and Chelludho rai denied offer from with Ali International. On 6 th March I paid INR 50000 Rs. from SBI account via UPI to Merchant Faiza international travels having UPI id faizainternationaltravels@icici. On 9th March 2024 I left my home to reach Kolkata and I reached Kolkata on 10th March 2024 Sunday. After reaching Kolakata on 10th March, Akhil provided me contact of Feroz(8317008939) to collect my passport, hotel booking, insurance and returned flight tickets from Feroz and also demaded to remaining INR 1 Lakh to Firoz as service charges in cash. I exchanged INR 50000 Rs. to Thai Baht in Vijaywada and remaining Rs.50000 in INR, total INR 1 Lakh cash paid to Feroz on same day. But Feroz paid me back 15000 THB for other expenses, immigration etc, in Thailand On Kolkata Airport, I met one Kuldeep Singh (8894522685) r/o Dehradun, Uttarakhand who was also going to Thailand in our group to work there. As per Kuldeep, he was going to Thailand with the help of an agency in his hometown which is also in contact of Ali International. Kuldeep Singh also paid remaining amount in cash and online to Feroz on Kolkata Airport. One another person of group Basant Kumar did not came to Kolkata but his ticket was booked in my group. Feroz told us to send a pic of both after completing the immigration on Kolkata airport. Kuldeep sent a photo of both of us to Feroz by his mobile. On 11th morning I reached at Bangkok Airport, Feroz gave us contact of another person named as Afroz(+6206539875) and told us

to call Afroz after reaching at Bangkok bus terminal, approx. 12 km from Bangkok Airport. We both reached at Bangkok bus terminal by taxi and called Afroz. Afroz guided us to take bus from Bangkok bus terminal to Chiang Rai and then contact after reaching Chiang Rai. After traveling by bus for approx 14hrs, we reached Chiang Rai at 10 PM. After reaching Chiang Rai I contacted Afroz and Afroz said us to stay night in hotel and tomorrow morning to contact another person name Roy (+8562093818904), Pakistan based Chinese translator. Roy will carry you to immigration point. Afroz convinced us to cross the border to reach Golden Triangle Special economic Zone in Laos. I objected to Afroz that why cross the border as Akhil promised me job in Thailand only. Feroz replied that he is not aware of what Akhil from Ali International Agency has told us, if you want job then cross the border, come over here, we will meet and talk. On 12th morning I took a cab to Chiang Sean immigration of Thailand to cross border. Here on immigration point Roy managed to get us clear immigration and I paid 200 Thai Baht to immigration officer and he provided me with departure. I along with Kuldeep Singh took a boat to cross the river and reached immigration office of Golden Triangle in Laos. After reaching at immigration point in Laos I sent a selfie picture of us to Roy. A Chinese agent came to us and showed our photograph to recognise us and carried us to immigration office and got approved Golden Triangle visa for 30 days to work in Laos. Chinese agent took us both for interview in building on 7th floor. An Indian team leader was called to take our interview. In interview they tested our English speaking, reading/spellings, computer typing speed and communication skills. Here we both were not selected in this company. Then we met Roy and he took us to hotel and said to conduct another interview in another company. At night Afroz also came to hotel and I asked him about this different country, job, and work. Joy said that I don't know what Ali International has told you about this job but he had told everything to Ali internationals about job profile and country. Afroz also took remaining 12000 THB Thai Baht each from both of us. I got stressed and I called to Akhil and Sahil but nobody responded to my call as usual. Next day Chinese agent took interview and kept both of us (Me and Kuldeep Singh) in separate companies. Kuldeep Singh joined in another company. I joined in different company and they took over my passport first saying to extend the work permit visa. I was assigned work of translation of chats (English and Hindi) from Indians in Telegram groups. These telegram groups were operated on Indian sim cards also Indian WhatsApp numbers were being used there for chat with Indians. Here I worked for 25 days under forced confinement in a building and this project was finished. I asked for salary but they replied that you will get your salary after 45 days of working. My boss from this company assigned me to another company and handed over the passport also to this new company. Here work was about Honey trapping, love chatting, chatting on dating platforms playing a role of a girl. This company provided me 3 days training on how to lure and scam Indian person on WhatsApp/tinder/Vadoo etc dating apps and they also took information from me about payment/transfer procedures of Indian banks, UPI and internet banking. After one week, working for 14 hours daily, I was not able to lure any Indian citizen as I don't want to deceive/scam anyone via different chatting platforms so they got angry and they threatened the team leader to took long hours work up to 18 hours from me to learn and perform about scamming and not provide any resting hours. I requested them not to assign me this scamming work and return my passport, not convinced with my request Chinese team leader got angry and fired me. At night company boss came to my staying room and he wants me to go to police station at night for getting my passport back and ordered me to pack the luggage. I was afraid and tense and then called Afroz, Roy. Chinese talked to Roy and told that he will not return my passport as he must go to police station for getting his passport back. Then I also repeatedly called Akhil and Sahil from Ali international but no body responded to my calls and messages. Then I begged to Chinese boss to go to police station in morning and allow me to stay in room for the night.

Then also I informed whole situation and my torture to Indian Embassy via phone provided on its website. Mr Srikant from Indian embassy provided me e mail id to file and complaint for rescue and gave me his personal WhatsApp number for any emergency. Next day in morning my luggage was thrown out of the company building and that time also requested team leader to return my passport then he said that we do not have your passport as your old company boss has your passport. I went to my old company boss to collect my passport but he got angry and abused me and threatened me to get away from there. Being disappointed, Then I again contacted with Mr Srikant and he guided me to go to local police station to assist me and provide my passport back. I went to police station and explained everything happened with me, taken consideration they asked for my will and I said I want my passport back to go to India and also provide my salary for work done. I provide my boss contact to police and he talked over phone to my boss and after 2 hours, my new boss came to police station and returned the passport to police. But I did not get any salary for so many days. Getting my passport back I went to my friend's room with my luggage. After 2 days I called to Mr Srikant and he told me that as you have overstayed on your visa a fine of \$10 per day would be applicable on you as penalty. He suggested me to go early in the morning and request to immigration officer to charge less fine telling my poor situation and I was also not get paid for work. Mr Srikant provided me contact and asked me to guide two more victims from Ali International (as told by Mr Srikant), Sandeep Shah (7777911131,9033433374) and Vishwajeet (8866232223), of same frauds. Mr Srikant asked me to stay for 2 days in Bangkok and come back to India together with Sandeep and Vishwajeet. I paid 1000 yuan as fine asking for money from my friend in my hometown. Then I crossed the river and came back to Thailand. On arrival visa fee of 300Thai Baht was charged from me on immigration point. Then I reached Bangkok by bus and stayed here for one week in a cheaper Indian hotel and requested my friend in home town to send me flight tickets from Bangkok to Hyderabad. On 11th May 2024, I along with two more victims namely Sandeep Shah and Vishwajeet, both from Ahmedabad Gujrat, took over from Bangkok. After landing in Mumbai Vishwajeet got caught by immigration officers for overstaying and immigration officers also got all information about these human trafficking and fake jobs scams by Ali International and many other agencies. On 12th May 2024, I reached my hometown back in morning. Totally I have been purport fully and knowingly cheated by an amount more than 2 Lakhs under well planned nexus because of this fraud Ali international consultants. I was forced to live in confinement under these companies. Apart from financial losses I was mentally tortured and forced to work like slaves without any payments and extra-long hours of work. My family also suffered mentally and emotionally. *It is requested to take tough action against the fraudulent agencies by registering the FIR and to bust the illegal nexus of these manpower agencies scamming youth in the name of providing jobs in foreign countries via running fraud offices in India sir, as many Indians are forced to work illegally and doing scams with Indians people sir.. Also sir later I came to know that they have not provided any registration documents on govt websites as per rules and norms set by govt. of India to work abroad. So it was intentionally and purported motive to traffic me to Laos, however I was promised to work in Thailand. I was reluctant to work in Laos but they forced me to go to Laos from Thailand by assuring that you will get all the details reaching Laos only. Nobody from Ali International picked my call because they knew that its their modus-operandi to smuggle Indians to lead a life of slaves in Laos by earning hefty commissions from Chinese agents sitting and operating from Laos. I was also forced to work for 18 hours per day against my wish otherwise I will not get my salary and passport too. This leads to my forced physical and mental exploitation as I can not tell the truth to my family. I request you to Please take action and save our Indian young star's... from being a scammer in future in India sir. Sir, If you need any additional information, I am ready to assist further give all information about Laos

scams sir. Ali International and its nexus knows about everything as they promised fake jobs and cheated young people like me. I have seen more than 2000 Indians including young girls trafficked from different states to Laos from India on pretext of jobs in Thailand In Laos country human trafficking, Chinese company Sales human and forcing Indians to do scams. If person reaches to Laos, local agents are paid 20,000 yuan per person. * Many other consultancy offices (agents) are sending young Indians to Laos country. * Please stop this chain, every day new peoples from India trafficked and trapped in this slavery for these scams' jobs here in Laos.
