The brief of the case is that in view of the Independence Day celebrations on August 15, 2024 a video was released in the afternoon of August 14, 2024 by Paresb Baruah, Commander in Chief of ULFA (Independent) in which Paresb Baruah declared that ULFA(I) was going to protest against Independence Day of India and he claimed that a "military protest" would be carried out across the state of Assam. He further declared that people should boycott the Independence Day celebrations and claimed that ULFA(I) was going to conduct a "military protest" on August 15, 2024 from 6 am to 12 am. He also threatened in the video that if people disobey the instructions/warning of ULFA(I), then ULFA(I) was not going to be responsible for the consequences. Subsequently, a Press Release signed by one Ishan Asom, 2nd Lieutenant of ULFA(I) was circulated vide letter No -APDU-I/A0019/24, Dated -15/08/2024 on the letter pad of United Liberation Front of Asom (ULFA-Independent) which claimed that the "military protest" could not be carried out due to technical issues. However, as per the press release bombs/IEDs were planted at several locations across Assam including Guwahati City. The press release further indicated eight specific locations within Guwahati City and one among the Eight locations was of a particular shop near Brahmaputra Udyog, Motilal Nehru Road in Panbazar. Acting swiftly on the inputs received from the press release of ULFA(I), police team of Panbazar PS headed by the senior officials reached the spot as indicated in the press release and carried out a thorough search of the indicated area. During search, Police teams of Panbazar PS and team of Bomb Disposal found a suspected sealed packet beneath the particular shop on the side of the road as indicated in the press release. Accordingly the Bomb Disposal Squad, taking all precautions, checked the suspected object and defused the suspected object by opening the outer packings and also disconnecting the electrical and electronic circuit found in the suspected object. After opening the suspected object and defusing it, it was found that suspected explosive substance weighing approximately 1kg was kept in a cylindrical tin can fitted with electronic detonator, electrical batteries, electrical circuits and a mobile phone without sim card. All these explosive substance, detonator, electrical circuits etc amount to an Improvised Explosive Device (IED) which was in a ready position to be triggered for causing an IED blast. Sir,

With respect to the subject cited above, I have the honour to state that in view of the Independence Day celebrations on August 15, 2024 a video was released in the afternoon of August 14, 2024 by Paresh Baruah, Commander in Chief of ULFA(Independent) in which Paresh Baruah declared that ULFA(I) was going to protest against Independence Day of India and he claimed that a "military protest" would be carried out across the state of Assam. He further declared that people should boycott the Independence Day celebrations and claimed that ULFA(I) was going to conduct a "military protest" on August 15, 2024 from 6 am to 12 am. He also threatened in the video that if people disobey the instructions/warning of ULFA(I), then ULFA(I) was not going to be responsible for the consequences.

Subsequently, a Press Release signed by one Ishan Asom, 2nd Lieutenant of ULFA(I) was circulated vide letter No -APDU-I/A0019/24, Dated -15/08/2024 on the letter pad of United Liberation Front of Asom (ULFA-Independent) which claimed that the "military protest" could not be carried out due to technical issues. However, as per the press release bombs/IEDs were planted at several locations across Assam including Guwahati City. The press release further indicated eight specific locations within Guwahati City and one among the Eight locations was of a particular shop near Brahmaputra Udyog, Motilal Nehru Road in Panbazar.

Acting swiftly on the inputs received from the press release of ULFA(I), police teams of Panbazar PS reached the spot as indicated in the press release and carried out a thorough search of the indicated area. During search, Police teams found a suspected sealed packet beneath the particular shop on the side of the road as indicated in the press release. Bomb disposal Squad of Assam Police was called to the spot to check the suspected object. The Bomb Disposal Squad, taking all precautions, checked the suspected object and defused the suspected object by opening the outer packings and also disconnecting the electrical and electronic circuit found in the suspected object. After opening the suspected object and defusing it, it was found that suspected explosive substance weighing approximately 1kg was kept in a cylindrical tin can fitted with electronic detonator, electrical batteries, electrical circuits and a mobile phone without sim card. All these explosive substance, detonator, electrical circuits etc amount to an Improvised Explosive Device (IED) which was in a ready position to be triggered for causing an IED blast.

The suspected IED was planted with an intent to threaten or likely to threaten the unity, integrity, sovereignty, security, or economic security of India or with the intent to strike terror or likely to strike terror in the people or any section of the people in India. Further, the above act is a conspiracy that aims to wage war against the Government of India by ULFA (I).

Therefore, I pray to kindly register a case against the perpetrators of the offences under proper sections of law.

Yours faithfully,
